## Bridgend Love2Walk Festival 2017

**SATURDAY JUNE 17th**  
**SUNDAY JUNE 25th 2017**

[www.love2walk.co.uk](http://www.love2walk.co.uk)

## **Bridgend's Love2Walk Festival returns in June for 9 days of walks and experiences showcasing the very best of the great outdoors in Bridgend.**

The Festival is run in partnership with the Bridgend Local Access Forum and takes place between Saturday 17th and Sunday 25th June and best of all it's FREE.

The programme for the festival has recently been unveiled and it's as varied as ever with walks for families and children, history buffs and nature lovers with a chance to try new experiences. Families can join the Shed Quarters Group for the Team Treasure Hunt.

Learn more about the History of the Llynfi Valley or explore woods for a chance to experience the resident bats. Local experts will be involved in many of the walks so expect to learn more about the Borough, its nature and history.

As in previous years all walks are free although some require booking in advance as places are limited so make sure you get your name down.

● For more information and a programme of walks visit [www.love2walk.co.uk](http://www.love2walk.co.uk), tel **01656 642593** or email [love2walk@bridgend.gov.uk](mailto:love2walk@bridgend.gov.uk).

# Welcome to the Bridgend Love2Walk Festival 2017

All of our walks have informed and experienced guides and are free of charge.

## Essential Tips

- Comfortable socks and footwear are essential, choose shoes that elevate the heel slightly and offer arch support and make sure there is enough wiggle room for your toes
- Wear loose fitting, comfortable clothing which allows you to move freely
- Wearing sunglasses and sunscreen will protect your eyes and skin from the sun's UV rays
- Walking is thirsty work so carry water, especially if you plan to walk more than half an hour
- Take something to eat so you have plenty of energy
- Carry a mobile phone with you.

Please note that walkers take part in the walks at their own risk and should ensure they are fit and well on the day of the walk.

## Photographs

Professional and amateur photographers may be present on your walk(s). Permission for photographs is deemed to be given by joining the walk. However please don't hesitate to let your walk leader or the photographer know on the day if you choose not to be part of any photographs. Pictures may be used on websites or future publicity.

## A Quick Guide to Grading

**Easy** – suitable for all without any serious fitness or mobility problems, may need to lift pushchairs over small obstructions.

**Moderate** – May include steep paths and open countryside. Walking boots essential.

**Strenuous** – Need to be an experienced countryside walker with a good level of fitness.

### SYMBOL KEY

Wear trainers

Suitable for pushchairs

Car parking

Car park charges may apply

**Please note that dogs are NOT allowed on any of these walks.**

**Routes are circular and finish at the start point.**

## The Countryside Code

### Respect, Protect, Enjoy

#### Respect other people

- Consider the local community and other people enjoying the outdoors
- Leave gates and property as you find them and follow paths unless wider access is available.

#### Protect the natural environment

- Leave no trace of your visit and take your litter home
- Keep dogs under effective control.

#### Enjoy the outdoors and stay safe

- Plan ahead and be prepared
- Follow advice and local signs.

Thanks to all the people who volunteered their time and expertise to the planning and delivery of this year's festival.

**Please visit our website**  
[www.shedquarters.men](http://www.shedquarters.men)

**for details on how to download the app etc.**

### **About:**

Our treasure hunt is modelled on the popular traditional car treasure hunts where teams set off in vehicles to find objects, street names and so forth all ending back up at a pub where the rest of the quiz happens followed by the answers over some food and drinks, but ours have two significant and exiting differences namely:

- 1.** It's a walking based team treasure hunt rather than by car.
- 2.** Each team will have to have a designated person with a smart phone that will need to download the free Aurasma app needed to access short videos that are tagged digitally to actual architectural structures around Maesteg Town Centre.

We will provide you with clue sheets, technical support to down load the app if you have not done it already, but you must have a dedicated person in the group with a smart phone for the job.

**Food and drinks need to be purchased from the venue, but we welcome any donations no matter how small or large you would want to make to ShedQuarters as a group striving to deliver worthwhile social and practical activities for the men of the area.**

We would like to particularly thank The Sawyers Arms (Wetherspoons) for providing us with this great base for the walk including friendly service and free wifi.

**28****Wildlife Trust of South and West Wales Meadow Walk****Sun 25th June****Start Time** 2.00pm**Distance** 3 miles**Start Point** Parc Slip Visitor Centre**End** 3.30pm**Grade** Easy

Wildflower Meadows are declining and there are now very few left in the UK. Join us on Wales Wildflower Day to wander the beautiful wildflower meadows at Parc Slip and help us record the butterflies, bees and wildlife that we see. Recommended donation **£2** which goes towards the Trust's wildlife conservation work.

**P** CAR PARK

Although the Walking Festival lasts only 9 days, we believe the best way to explore the Borough of Bridgend is on foot. Regular walks take place throughout the year in partnership with The Ramblers, Age Cymru and Lets Walk Cymru and our quarterly programme can be found in the downloads section of our website [www.love2walk.co.uk](http://www.love2walk.co.uk) where you will also find walking inspiration for the local area so get out and explore.

## Getting to the festival

# Explore Bridgend's Countryside

Why not get out and about and discover the beautiful countryside that is right on your doorstep?

Bridgend County Borough Council manages a network of over 650 Km of public rights of way and off-road cycle tracks that give access to stunning countryside and inspiring coast line. It's available to all, readily accessible, free of charge and is just waiting to be explored.

The Rights of Way team also promote walking, cycling and equestrian routes in the area varying from short circular village walks to longer distance routes such as the Bridgend section of the Wales Coast Path.

During the past 7 years almost £400,000 of grant funding has been obtained from the Welsh Government and Natural Resources Wales. Surfaces on footpaths and bridleways have been improved and gates, bridges and other facilities designed to improve access have been replaced or repaired. Orders have been processed which will amend the Definitive Map. Historical research and discussions with users and landowners are also helping the Council determine applications for Definitive Map Modification Orders.

To obtain the free leaflets or to discuss any public rights of way issues in Bridgend call the Team on 01656 642537/642553 or email:

## **The Active Travel (Wales) Act 2013**

The Act makes it a legal requirement for local authorities in Wales to map and plan for suitable routes for active travel, which means walking and cycling as an alternative to motorised transport for the purpose of making every day short distance journeys. Local Authorities must also improve their infrastructure for walking and cycling every year.

By 3rd November this year, the council will have to produce Integrated Network Maps (INMs) which set out the local authority's plans for developing a network of active travel routes and facilities over the next 15 years. As part of that process, the Council will be carrying out a public consultation this summer to ask for your views on the proposals. For further information, search for active travel on the Council's website at [www.bridgend.gov.uk](http://www.bridgend.gov.uk).
